N. W. T. LEGISLATURE

CONSIDERS BILL FOR GAME PROTECTION.

Bill to Amend the Ordinance Incorporating Edmonton.

(Bulletin Special Dispatch).

Regina, Nov. 3.—In the Legislative Assembly to-day, R. Seord, Edmonton, gave notice of a bill to amend the ordinance incorporating Edmonton and also gave notice of a bill relating to mutual fire insurance companies.

The sitting was devoted to the second readings of several bills, the one of most public interest, being that for the protection of game.

KILLED AT CALGARY

RESULTS OF LAW SOCIETY ELECTIONS

The Territorial Government Prosecuting Engineer For Prairie Fire.

(Bulletin Special Dispatch).

Calgary, Nov. 4.—Eugene Clark, car repairer on the Canadian Pacific Railway, was killed on the yards here yesterday afternoon. He was repairing one car when another car was shunted into it, thus killing him.

The territorial government has summoned Engineer McPhalen, under the Prairie Fire Act. The fire was caused by sparks from an engine. The case will be a test case. It is being tried at Cochrane.

The following is the result of the elections for the members of the Territorial Law Society: N. MacKenzie, Regina; N. D. Beck, Edmonton; McKay, Prince Albert; Edmond, Moosemin; Cuyler, Lethbridge; Muir and Longhead, Calgary; H. C. Taylor, Edmonton; Willsong, Moose Jaw.

THE WEATHER

Colder weather prevails over Manitoba and the Territories, attended by a few local snow flurries. The temperature is not low for this season of the year. Fair, moderately cold weather is at present indicated, with some light falls of snow or rain in Alberta by tomorrow.

Winnipeg, November 4th. SHARP FIGHT WITH NATIVES. British troops had a sharp fight in the African hinterland.

GRAIN QUOTATIONS. Winnipeg oats, No. 2 white, 29 cents a bushel. Fort William wheat, No. 1 northern, \$1 1-2 cents a bushel.

GREAT GOLD STRIKE IN YUKON. Another big gold strike is reported from near White Horse.

15,000 MEN CALLED OUT. President Mitchell has ordered 15,000 miners in Colorado to strike.

NEW CORPS AUTHORIZED. Two new Canadian corps have been authorized by the Dominion government.

DRY DOCK FOR VANCOUVER. A dry dock to cost half a million dollars will be built at Vancouver.

GREAT DESTRUCTION BY EARTHQUAKES. Earthquakes in Persia have destroyed 184 carpet factories and killed 350 people.

TROUBLE FOR GERMANY. A German garrison at Warmbad, Southwest Africa, was annihilated by Hottentots.

C. N. R. EXTENSIONS. The Canadian Northern main line will be extended to Carberry and thence to Brandon.

WINNIPEG CARNEGIE LIBRARY. The corner stone of the new Carnegie library in Winnipeg was laid by Lieutenant Governor McMillan.

POLITICAL TROUBLES IN LOUISVILLE. A Democratic judge in Louisville, Kentucky, was probably fatally injured at a polling booth by a Republican sheriff.

—A large number of ducks and geese have been seen going back north in the past few days. This is an extraordinary occurrence and seems to foretell mild November weather. The almost continuous bad weather we have had this year seems to give good grounds for expecting mild and pleasant weather before the end of the year. A number of years ago, after a particularly bad summer, the weather in the Edmonton district had remained very mild well into November.

LOCAL

—Train left Red Deer on time. —A sacred cantata will be given in All Saints' church to-night.

—A cheese factory will be started at Innisfail by H. W. Lockwood, of Westport, Ontario.

—A grader which has been at work on several of the streets running north and south is being used on Jasper avenue today.

—The marriage of J. T. Labissonniere, book-keeper for Gariepy & Leonard, and Miss D. Charbonneau was solemnized this morning in St. Joachim's church. The Rev. Father Ledue performed the marriage ceremony. Only a few of the nearest friends of the contracting parties were present. After the ceremony, breakfast was partaken of at the residence of Mr. J. Chenier. The happy couple, amidst showers of rice, left for Banff this morning on their honeymoon trip.

—A. H. Goodwin, now of Vegreville and formerly of Edmonton, was in town yesterday. He reports conditions satisfactory in that district. Oats are a fair crop and have been harvested in good condition. Wheat is not so good, but the proportion of wheat is small. Mr. Dennis, who is the pioneer farmer in the vicinity, and has the largest crop, is said to have contracted for the sale of his oats at fifty cents a bushel at the granary for the fall colony.

PERSONAL

Mr. and Mrs. Jno. McManus left for a visit to Wetaskiwin this morning. F. A. Walker, of Fort Saskatchewan, is in town to-day, looking up an old friend who recently arrived in Edmonton.

The engagement of Mr. J. H. Picard and Miss M. Voyer is announced and the wedding will take place on the 25th instant.

Rev. Father Merer, who has been very ill at the General Hospital, Edmonton, is now improving as well as could be expected.

G. Burwash and Robt. Mackinnon, of Fort Elgin, Ontario, arrived in Edmonton last night where they intend remaining for the winter.

A meeting of the hockey club was announced for last night at the Young Men's Club room. No business was transacted and a meeting will be called later.

Bishop Legal, of St. Albert, arrived in Edmonton today to attend St. Joachim's church bazaar this evening. He leaves shortly to visit the German settlements east of Wetaskiwin.

LOCAL

—Rev. Dr. Sutherland, secretary of Methodist missions, will visit Alberta in November. Dr. Sutherland will hold conventions as follows: Edmonton, November 6-10; Red Deer, November 12-13.

—St. Joachim's church bazaar is going in full swing. The hall was crowded yesterday and the newly organized St. Jean Baptiste band rendered the best selections of its "repertoire." Their first appearance in public was a decided success. The fancy work and painting table attracted a great deal of attention. All agree in saying that this is one of the best and largest displays in that line ever seen in Edmonton. Competition between the Old Timers caused great interest and excitement. Twelve are on the ranks and more are requested by their friends to compete to-night. Jno. Kelly is leading so far and others are following closely. Delicious meals are served from 12 to 2, and 6 to 8 p.m. A selected vocal and musical program will be rendered to-day, by the best local talent. To have more room and less noise, children will be admitted from 6 to 8 p.m. only.

COLLEGE FOR EDMONTON.

The Rev. Father C. Ducharme, Provincial, of the Order of the Clerics of St. Viator, and the Rev. Father G. Gendreau, general treasurer of the order, who have been appointed to acquire into the advisability of establishing a Roman Catholic college in Western Canada have spent the past few days in Edmonton. They arrived Friday night and spent Saturday in looking about the town, with which they are greatly pleased. They visited St. Albert on Sunday. Both gentlemen are of the opinion that it would be highly advisable to have a Roman Catholic college established at Edmonton and will hand in a recommendation to this effect to the proper church authorities upon their return east. While here arrangements were made for the purchase of several lots for this purpose. They left Edmonton this morning.

CHESS, CHECKER AND WHIST CLUB.

The checker club met last night at the Grandview hotel. A large number of enthusiasts were present. A delegation from the whist club was present who asked that the checker club co-operate with them in procuring suitable rooms. This suggestion met with a favorable reception and was adopted. It was further agreed to introduce chess, checkers and whist. The new club will then be a chess, checker and whist club. The following officers were elected: President, E. Fry; Vice-president, J. S. Irwin; Secretary-treasurer, W. A. Irwin. The above officers constitute a committee to procure suitable rooms and make all arrangements.

CONTRACTORS ASSOCIATION.

A meeting was held in Chas. May's office last night to organize a contractors association. A large number of local contractors were present. After considerable discussion the following officers were elected: President, W. J. Carter; First Vice-Pres., J. McAllister; Second Vice-Pres., Chas. May; Secretary, John Roe; Executive Committee, Jno. McLennan, Wm. Connell and A. Dalton.

ALL ROADS LEAD TO EDMONTON

EDMONTON is the centre of attraction of the North-West Territories today. No place in the west occupies such a unique and enviable position. It being the centre of the largest and richest agricultural and mixed farming district in Canada.

The future coal supply depot for the Territories, hence the future Manufacturing metropolis of the country. The coming great railway centre of the west. The gateway to the great agricultural, fur and timber country to the north and the distributing port for an area exceeding 900,000 square miles. The extent and far reaching trade of Edmonton is a source of wonderment and surprise to visitors but is only an indication of what it is going to become. Edmonton is to-day one of the greatest distributing points of the world, forwarding goods over an area six times the size of the British Isles.

The world moves and so does Edmonton. It is a beehive of industry. It is estimated that about 700 buildings have been erected this year and no signs of a let up. Building operations were carried on all last winter and will be all this winter. The future of Edmonton is assured. Nothing can hinder or keep it back.

The long days of waiting and uncertainty are over. "There is a tide in the affairs of men, which, if taken at the flood, leads on to fortune." The flood tide is upon us. Now is your opportunity. No time like the present. Don't forget October 19th the day on which we begin, the sale of lots on
